**SUMMARY:** Raj shows he believes in his own mind that he is being tracked by numerous Govt agencies, his own father and his “cronies” and that somehow, he has or is being tracked by an “unknown” item in his head. He did say that he has tried to re-enroll back at Notre Dame in Emory and Yosnei Universities, but his psycho-therapeutic examination resulted in –one exam stating he was okay, on the second exam, they chose to deny his re enrollment. The University of Notre Dame Law School, United States, Emory University, State of Georgia, State of Indiana, and other entities are violating my religious consciouness and preventing the Free Exercise of Religion. They induced a mental disability. FF John Adams called this method "difussing."

This situation started a long time while I was in high school. Religiously, I entered Emory University and majored in Political Science and Religion with Honors. My Honors was "Weight Loss as a Religion." They have induced depression, although the psychtrist feels otherwise, and obesity. These are acts of terrorism against me and First Lady Michelle Obama.

Please see Patel v. Biden, No. 21-cv-1076-TSC (D.D.C. 202\_) and Patel v. Trump Corp., No. 20-1513 (U.S. 202\_).

I will need enforcement from you all.

**UNITED STATES,**

Appeal from the United States Court of Federal Claims  
in No. 1:21-cv-02004-LAS, Senior Judge Loren A. Smith.

---

**ON MOTION**

---

PER CURIAM.

**O R D E R**

The United States moves to summarily affirm the United States Court of Federal Claims' judgment dismissing Raj K. Patel's complaint. Mr. Patel opposes.

Mr. Patel brought this suit seeking \$3,760,000,000 for breach of a contract with the President of the United States "about living under the stress weapon." Appx47. Mr. Patel further alleged that the government failed to protect his

right of the free exercise of religion, violated his right to privacy, violated the equal protection clause, violated the Takings Clause by taking his “word patterns,” and was part of a criminal conspiracy against him. Appx57. The Court of Federal Claims dismissed, and he now appeals.

We agree with the government that the merits of the parties’ positions as stated in the opening brief and motions papers are so clear as to warrant summary affirmance. *See Joshua v. United States*, 17 F.3d 378, 380 (Fed. Cir. 1994). The Tucker Act, 28 U.S.C. § 1491, limits the Court of Federal Claims’ jurisdiction to claims for money damages against the United States based on sources of substantive law that “can fairly be interpreted as mandating compensation by the Federal Government.” *United States v. Navajo Nation*, 556 U.S. 287, 290 (2009) (citation and internal quotation marks omitted). The Court of Federal Claims **correctly concluded** that Mr. Patel’s allegations were baseless and that it lacked jurisdiction over any of his claims.

Accordingly,

IT IS ORDERED THAT:

- (1) The motion is granted. The Court of Federal Claims’ judgment is summarily affirmed.
- (2) All other pending motions are denied as moot.
- (3) Each side shall bear its own costs.

**Figure 1.** An overview of caste divisions in the Hindu population of India. The hierarchy among the top three Leva Kanbi Patidar *gols* was taken from Thakkar (Thakkar, 1999). We do not show the fourth and last order of caste divisions called *tads* (Shah, 1982), endogamous groups composed of a few families who are all members of the same *gol*. To the best of our knowledge, these “fourth-order” divisions do not exist among the Leva Kanbi Patidar.
